Company Profile

MSW was established in year 2006 which is professional bespoke multi-sports & teamwear or garment factory with 200 workers.

Our main management and production supervisors have average 20-30 years garment manufacturing experience and most of them have been working at MSW for more than 10 years. They have rich experience at the industry and provide instant support and excellent goods and service to customers worldwide (more than 30 countries and 1000 customers).

We provide one-stop service from product design to production and after sales service.

We are reputed in the industry for our excellent product quality and punctual delivery. Feel free to contact us for further discussion.
