About PENNA

History

PENNA Overseas Corporation was established in 1970 by Mr. Mirza Atta Ullah (father of Mr. Tahir Saleem Mirza & Mr. Zahid Saleem Mirza). Later Mr. Tahir Saleem Mirza (Chief Executive) with the help of his younger brother Mr. Zahid Saleem Mirza grown up the company and at the moment company is enjoying biggest share of its production line from the international market and number 1 in Pakistan since 2004.

Company Policy & Vision

"We at Penna Overseas strive for quality, which is our top priority" ; For us, customer satisfaction is the most important criterion of quality, Requiring that our products must be:

1. Technically Perfect,
 2. Reasonably Priced,
 3. Timely Delivered.
- Our objective is to make effective, continually improve management systems for Complying Social & Environmental Laws to implement & maintain International standards to enable us to reduce customer complaints, reworks and rejections.

Quality Standards & Certifications

We are ISO9001 certified since 1999.

We are SA8000 certified since 2003.

We are on BSCI platform with DBID: 374516.

We have CE certifications for body protectors we are producing for Europe.

Human Resources

Since PENNA is a team of highly technical and dedicated professionals who are truly motivated and energized in their commitments to their clients with an enviable level of quality products and it is our worth.

Social Contributions

We very responsibly announce ourselves a Socially Responsible Organization. We are the first supplier of martial arts uniforms and boxing gloves in Pakistan who got the SA 8000 certification from SAL.

We take full responsibility for human rights within the organization & always follow Local Industrial Laws & ILO Conventions. We are being audited twice a year for the compliance of Social Accountability Standards (SA 8000) as well as various social codes of conducts from buyers. We are covering the following areas:

- Child Labour.
- Forced Labour.
- Health & Safety.
- Freedom of Association & Right To Collective Bargaining
- Discrimination
- Disciplinary Practices
- Working Hours
- Remuneration
- Management Systems

Production Facilities

We are producing Martial Arts uniforms on chain systems since many years and now we are first factory of Martial Arts uniforms who has LEAN production system. So our each production line is a complete factory itself and we have total 16 production lines and it can be increased up to 24.

We have 200 stitching machines for Boxing Products and Martial Arts products which can be increased up to 300. We are providing our customers from designing to final products. We have most modern and advance production arrangements.

We have needle detectors for textile and leather products and cargo scanning machines for punching bags. Our over all production capacity is 3x20' containers per day which means we can produce 1x20 containers each per day in our Textile, Gloves and Punching Bags units.

We have adequate warehousing capacity inside the factory for raw material and finished products.

Power House

We have in house power generation arrangements through Diesel for standby power.
