# KIDS' SKI COLLECTION

These ski outfits are like secret superhero gear, with stuff like RECCO avalanche protection, super waterproofing, super warm insulation, and even stretchy fabric for crazy moves. Whether they're sliding down icy mountains or diving into fluffy snow, our skiwear makes kids snow-sliding champions! So tell them to put on their awesome outfit and get ready to rule the slopes like a boss!

They're made to help kids zoom down mountains and snowy hills while keeping them super safe and warm.

So they can zip up and get ready to be a snow superhero!

# WOMEN'S COLLECTION

Level up the alpine game with our High Performance Skiwear section. We're talking RECCO avalanche protection, waterproofing, insulation, and stretch fabric that's like a second skin. These babies are engineered to make those ski slopes your playground while keeping you safe. Whether it's icy peaks or powdery descents, our skiwear will have you dominating even the fiercest conditions.

Slide into a realm of unmatched warmth and style with our Down Jacket series. These stunners are known for their killer warmth-to-weight ratio and wearable designs that scream confidence. Whether you're conquering frosty terrain or city streets, our Down Jackets are your trusty sidekicks, turning the cold into your personal playground without compromising on style.

Ready to show nature who's boss? Check out our Outdoor Jackets, meticulously designed to battle the elements. Engineered with high-performance waterproof and breathable fabrics, and packing lightweight synthetic insulation, these jackets are like armour against the wild. They're built to last, ensuring you stay comfortable, dry, and agile through every outdoor escapade.

Our Eco insulation is made from recycled materials with that coveted Blue Sign Approval. These beauties are all about sustainability without skimping on performance. They bring the heat in insulation while reducing resource waste.

Each section is a testament to our unwavering commitment to gearing up with the absolute best. Welcome to a world where style meets substance, and where outdoor passions and pure performance collide.

# MEN'S COLLECTION

Reach the pinnacle of alpine excellence with our High Performance Skiwear section. Incorporating cutting-edge technologies such as RECCO avalanche protection, waterproofing, insulation, and stretch fabric, these garments are engineered to conquer the most challenging slopes while ensuring utmost safety. From icy peaks to powder-filled descents, our skiwear guarantees uncompromising performance in the harshest conditions.

Step into the realm of unparalleled warmth and style with our Down Jacket series. Renowned for their exceptional warmth-to-weight ratio and wearable designs, these jackets seamlessly blend comfort and functionality. Whether you're exploring frosty terrain or navigating urban landscapes, our Down Jackets are companions in conquering cold without sacrificing style.

Discover our Outdoor Jackets, meticulously designed to withstand nature's elements. Engineered with high-performance waterproof and breathable fabrics, and featuring lightweight synthetic insulation, these jackets offer a perfect balance of protection and mobility. They are the embodiment of durability, ensuring your customers stay comfortable, dry, and agile in any outdoor scenario.

As we strive to minimise our environmental footprint, our Eco line is built using recycled materials that hold the coveted Blue Sign Approval, these garments provide exceptional insulation while significantly reducing the impact on precious resources, allowing you to explore nature responsibly.

In this catalogue, we invite you to explore the culmination of our expertise in outdoor clothing, where innovation meets durability and style meets function. Each section represents a testament to our dedication to outfitting adventurers with the best gear possible. Welcome to a world where performance and passion unite.
