

# Swany Toaster Mitt Series

The warmth of a mitt, with the flexibility of a glove through the Toaster® zip finger-free access.

A person is silhouetted against a bright sunset, standing on the ridge of a snow-covered mountain. The sun is low on the horizon, creating a lens flare effect. The sky transitions from a deep blue at the top to a warm orange near the horizon. The snow on the mountain is textured and catches the low light.
