

Ecodown Fibers Ocean

The soft touch

**Made from Ocean
Bound Plastics**

Ecodown Fibers Ocean is
exclusively made from Ocean
Cycle-certified plastics

Ecdown Fibers Ocean is
Global Recycled
Standard-certified

Made from Ocean Bound Plastics

Ocean Bound Plastics
make up as much as
80% of plastic pollution
in our oceans

Ecodown Fibers Ocean
does not use microfibers
which pollute oceans and
lakes and contaminate
the food we eat

Ecodown Fibers Ocean

Super silky touch
